

Information on Insurance and Health benefits

- Most private insurance companies cover Chiropractic Care.
- Direct Billing by chiropractic offices is generally not permitted by private insurance companies (there are a few exceptions).
- Statements for services provided are available upon request for submission to private insurance companies. We do not direct bill private insurance companies.

Questions you should ask about your coverage/benefits

- What is the amount of coverage per visit: Example, \$30 per visit.
- What is the amount of coverage for x-rays and initial exam?
- The maximum per year per family or family member: Example, \$500 per family or \$100 per family member per year.
- What is the deductible each year if applicable?
- When does the company's benefit year start and end? Example, Jan 1-Dec 31 or April 1-Mar 31.
- Is there a form requiring the doctor's signature or registration number?
- Is a statement all that is required for reimbursement?
- How long does it take to be reimbursed by the insurance company?
